

Dog Rescue Newcastle Adoption Agreement

Instructions

Please read before signing. 2 copies must be filled-out and signed with each adoption.

1 copy is given to the person adopting; the 2nd copy is retained by the foster carer then forwarded to Sue Barker along with the adoption fee.

Dog Rescue Newcastle Adoption Agreement

1. A two week trial period commences from the date you pickup and pay for the animal. Should you feel during this period that the animal is not suitable, it may be returned to Dog Rescue Newcastle (DRN) and you will receive a refund of the purchase price of the animal less a \$50 admin fee.
2. You agree to maintain and house the animal in conditions that comply with the current standards as outlined in the NSW Companion Animals Act 1998 or later. You agree to abide by any State laws relevant to the safety of the animal during and after the trial period.
3. The animal will at all times wear a collar with an identification tag attached as required by the NSW Companion Animals Act.
4. You understand that a member of DRN may inspect your premises to ensure the safety and security of the animal before and during the trial period.
5. Adult animals must be desexed within two weeks of adoption. Puppies must be desexed no later than 5 months of age. Kittens must be desexed when they weigh at least 2 kg or no later than 4 months old. If you think exceptional circumstances apply then written permission to delay the procedure must be received from DRN.
6. If the animal has not been desexed before adoption you agree to make him or her available for Mandatory Desexing as soon as practicable. When advised of an appointment at a DRN Nominated Veterinary Practice, you agree to present the animal, and provide appropriate post-surgical care. The cost of desexing at one of our approved vets is included in the adoption fee.
7. Where alternate arrangements are made with Dog Rescue Newcastle for desexing this animal, you agree to provide DRN with a legible copy of the Desexing Certificate by mail within two weeks.
8. If you adopted an undesexed dog or cat, Lifetime Registration is not included in your adoption fee. In this case it is your responsibility to register your animal with your local council before it is 6 months old.
9. Puppies must be vaccinated at 8, 12 and 16 weeks old. If you adopt a puppy who has not yet had his 2nd vaccination, your adoption fee includes the 2nd (12 week) vaccination done at one of our approved vets (Warners Bay, Belmont, or Animal Tracks in Sydney). The puppy may be vaccinated by a veterinary nurse and does not get an examination or consultation by a vet. If you want a veterinary consultation you will need to pay the vet's usual fee.
10. We do not guarantee the animal's age, breed, adult size, or temperament. You accept an animal at your own risk. We are not responsible for any death, damage or injury to people, animals or property which may be caused by the animal during or after the trial period.
11. You agree to take responsibility for any damage or injury caused by the animal during the trial period. Should damage or injury occur, it is recommended you return the animal to Dog Rescue Newcastle as soon as possible. After the expiry of the trial period, you become legally responsible for the animal and it's actions under current Local, State and Federal Law.
12. You DO NOT become the legal owner of the animal until the completion of the trial period and the animal is registered in your name.

Dog Rescue Newcastle Adoption Agreement

13. Should you decide at any time to surrender, give away or sell this animal, you agree to contact Dog Rescue Newcastle and gain their advice and consent.
14. You agree to take responsibility for any costs incurred should the animal be impounded by council, RSPCA or other authority, during or after the trial period. You must notify Dog Rescue Newcastle and pay to have the animal released even if you no longer wish to retain ownership.
15. During the trial period, should the animal require medical attention, you will contact Dog Rescue Newcastle and follow the directions given. You understand that any veterinary costs incurred will not be refunded unless the animal is presented to a clinic agreed to by Dog Rescue Newcastle.
16. During the trial period, should the animal be injured (such as in a road accident), all veterinary costs are your responsibility, not Dog Rescue Newcastle. However, Dog Rescue Newcastle should be notified immediately.
17. If you decide to return the animal during the trial period, it is your responsibility to return the animal to Dog Rescue Newcastle at your own expense. You will receive a refund of the purchase price of the animal less a \$50 admin fee. A refund cheque will be posted to you.
18. After the trial period, if you wish to surrender the animal back to Dog Rescue Newcastle, you must do so with the understanding that no money can change hands. DRN may however re-home the animal and any money raised will be directed into the rescue of future animals.
19. An animal adopted from Dog Rescue Newcastle cannot be sold or used to make any profit for the new owners or persons associated with those owners. If the Owner wishes to offer this animal to a third party they must advise Dog Rescue Newcastle and gain their approval prior to any transaction.
20. Should at anytime during or after the trial period, Dog Rescue Newcastle is of the belief that an adopted animal is being mistreated or at risk, Dog Rescue Newcastle may seize that animal without notice. The animal will only be returned to the Owner after Dog Rescue Newcastle considers the situation resolved and the animal faces no further threat. Should Dog Rescue Newcastle feel the situation cannot be resolved then they may list the animal for re-homing whereby the owner will receive no money or refund.
