

SAVING LIVES

4 PAWS AT A TIME

*Considering a new companion?
Adopt a Rescued Dog or Cat!*

We rescue dogs and cats from local pounds, which sometimes only have days or hours to live. We put them into loving foster homes where they receive training and socialisation while waiting to be adopted.

Please help us any way you can:

- By adopting one of our homeless dogs or cats
- By becoming a dog or cat foster carer
- By donating time, goods or money

For more info or to donate please visit our website:
